City Wide Property Services Expands with New Office in Chico, CA

RANCHO CORDOVA, March 3, 2025 – City Wide Property Services, Inc. (City Wide) is excited to announce the opening of its newest office in Chico, California. This expansion enhances City Wide’s ability to provide top-tier facility maintenance and property services to commercial clients throughout Northern California.

With the addition of the Chico office, City Wide now operates six locations, including its corporate headquarters in the Sacramento area and regional offices in the South Bay and Central Valley. This strategic growth ensures the company can meet the increasing demands of property owners, facility managers, and commercial real estate professionals across the region.

“Expanding into Chico is a natural next step for us as we continue to grow alongside our clients’ needs,” said Albert Rodriguez, President and CEO of City Wide. **“This new location strengthens our ability to deliver the highest level of service and rapid response times to businesses throughout Northern California.”**

About City Wide Property Services, Inc.

City Wide Property Services, Inc. is a trusted partner for property and facility managers, offering comprehensive maintenance solutions, service repairs, and daily upkeep to meet the needs of commercial and industrial properties.

Headquartered in the Sacramento Region, City Wide serves clients across the Western U.S., including California, Washington, Oregon, Nevada, Arizona, and Texas. The company specializes in full-facility maintenance for health, tech, and education campuses, as well as distribution centers, business and industrial parks, shopping centers, commercial buildings, retailers, grocery stores, municipalities/government properties, and HOAs.
