

## **CITY WIDE** PROPERTY SERVICES, INC.

### **PRESS RELEASE**

For Immediate Release

RANCHO CORDOVA, OCT. 25, 2022—City Wide Property Services is excited to announce that through the generous donation of our company's founders, Albert and Janee Rodriguez, a wish will be granted through the Make-A-Wish® Program on November 7, 2022, in the city of Turlock, CA.

Carter, now age 7 battled acute lymphoblastic leukemia at 4-years-old and had chosen to become a Garbage Man through the organization's program that makes wishes come true. With the help of the community's garbage company, Turlock Scavenger, Carter's wish will be granted with garbage pickup stops throughout the City of Turlock, starting at his elementary school, with stops at Emanuel Medical Center, Turlock City Hall, and lastly his neighborhood.

Carter's favorite color is green, and he loves to watch helicopters and airplanes fly over his house, but what interests Carter the most is Garbage Trucks! Carter celebrated his third birthday with a Garbage Truck theme, and Dad thought that he would grow out of it, but this little guy proved otherwise! He wanted the exact same theme for his fourth birthday. Every day, Carter is eager to empty the trash in his home. On garbage pickup days, he and his Dad walk the bins out together. Then, Carter sits and waits to see when the garbage collectors arrive, and he guesses which bin each of the trucks will pick up! Every day, Carter sets out his six garbage truck toys in his living room to make sure all of the imaginary garbage gets collected.

*"All of the staff at City Wide are ecstatic for Carter's big day, in preparation, we're having a company-wide toy drive to surprise him with, along with a poster-making luncheon so that we all can cheer him on along his garbage route."* — Shawn Cray, Director of Design & Marketing

With Carter's interest in all things a Garbage Man! Carter explained that he wants to push all of the buttons, pick up trash cans with the truck's 'arms,' and be surrounded by all the trash-collecting action.

Media is encouraged to reach out to Make-A-Wish for specific information regarding the route and times to schedule day of event interviews. The Northeastern & Central California and Northern Nevada chapter can be reached by contacting Brandon Kisker, Sr. Marketing & Communications Manager at [bkisker@necannv.wish.org](mailto:bkisker@necannv.wish.org) or at (513) 885-6233.
